TUITION & FEES

Annual Registration Fee	\$30.00
Family Registration Fee	\$45.00

Our classes are based upon a 10-month curriculum; hence dancers are expected to participate in classes for our complete 10-month school year. Tuition options; pay in full in September, or pay in 10 monthly installments (due the 1st of the month). We offer a 5% family discount.

It is our school policy that we are unable to offer tuition prorates or refunds for missed classes. Refunds will be made only in cases of prolonged illness, extended leave of absence, or physical disability. A letter from your physician may be required. Classes may be cancelled and students guided to another class if insufficient enrollment. Notice will be given prior to cancelling. **Students who carry an unpaid balance on their account for more than 60 days will not be allowed to participate in classes unless payment of the outstanding balance is made in full**, or unless suitable arrangements have been made with the Office Manager and a good faith effort is being made to pay the balance. Also, students with an outstanding balance from the previous school year must pay their balance in full before registering for classes for the upcoming school year. If the balance cannot be paid in full, a suitable arrangement must be made for payment of the balance and a good faith effort must be made to pay the balance, and they must enroll in monthly autopay to stay current on present-year tuition.
