Notes:

- Make-up practice is encouraged. Our Make-up volunteers request that as many dancers as possible learn how to put on their own brown or dark-brown mascara.
- We will video tape rehearsals. Please make a point of watching yourself on the videos; we have TV's in both studios. You can learn a great deal by seeing yourself as the audience sees you!
- Timings are best guesses. Rehearsal may end early or run late by a maximum of 30 minutes. This is our last opportunity to fix what needs fixing. Thank you for your understanding.
