

Columbia Dance Scholarship Application

FALL 2018 Deadline: Aug 18, 2018

Columbia Dance is offering Financial Scholarships for students who would otherwise not be able to continue their dance training due to financial hardships. We understand there are times within all families when financial commitments require that some sacrifices be made. We would like to provide some assistance so that your child need not give up dancing.

Scholarship award decisions will be made by a committee comprised of 2-3 members of the current Board of Trustees and the Artistic Director. Please be aware that all the information enclosed will be held in strict confidence. Only the Scholarship Committee will have access to the information you have provided and it will be kept in a locked file cabinet to ensure privacy.

Scholarship duration will be determined by the Scholarship Committee, but will not be for longer than one semester (5 months) at which time a new application will be required for continued assistance.

The criteria used to determine scholarships granted are as follows:

1. The amount of money we currently have available for scholarships; the number of dancers already on scholarship or currently applying.
2. The parents' and the Artistic Director's opinion about how dedicated or passionate your child is about dance. This does not mean that your child must be planning on a career in dance, only that they feel strongly about the experience now. What are some of the sacrifices he/she has made to continue dancing?
3. Your description or other evidence of financial hardship. Are you supporting parents, are there new medical concerns by a family member, has someone lost a job, is someone attending college, any other financial issues?
4. Family support for your child's dance experience. This is evidenced on your part by your past efforts to have your child to class on time, dressed properly, and focused on dance. We take into account absenteeism and tardiness. We also consider the amount of time your child has been dancing
5. Willingness to fulfill monthly volunteer service requirements for the dance center.
