Training Dancers | Shaping People

At Columbia Dance, we believe that ballet training not only helps you become a good dancer, it helps you be a good person. We feel passionately that art revives us and inspires us, giving children a leg up on loving who they are, and giving that gift back to the world.

Mission Statement

Columbia Dance's mission is to present dance as a life-enhancing experience for our students and our community by setting high artistic standards in classical ballet education and performance, while creating a positive, nurturing, and challenging environment where dance appreciation thrives.

At Columbia Dance We Value:

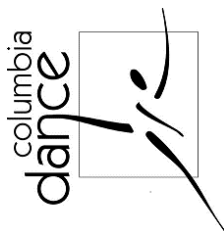

Inclusiveness – children of all ages, genders, and body types are embraced, instructed, and presented as valuable members of our community.

The Whole Dancer – the life skills that dance training cultivates are given as much value as the more specialized technicalities of the dance form. Self-discipline, self-confidence, respect, wellness and teamwork are emphasized in our studios.

Quality Instruction – professional dance instructors work as a cohesive faculty to provide a nurturing learning environment where high expectations are set, aspired to, and ultimately met through student dedication and faculty mentorship.

Performance Opportunities – our dancers are given the platform to share their art form with their community and to be a part of something bigger than themselves by participating in large productions with public audiences. They interact with choreographers and teachers, stage crew, volunteers, and their fellow dancers to contribute to the magic of our Nutcracker and Spring Performances.

Promotion of the Arts – via partnerships with area corporations, businesses, schools, private enterprise and other community arts organizations, we are invested in keeping art alive and well in our community.

General School Information

Inclement Weather Policy:

In the event of inclement weather, Columbia Dance will announce any closures by 1pm for weekday classes and by 8pm the evening prior for weekend classes. Announcements will be sent via email. As our hours are very different from public schools hours, our decision to remain open or closed may differ from those of the academic schools. On occasions when Columbia Dance is able to be open during inclement weather, we will respect any family's decision to keep their child home and will happily excuse them from classes.

Parent Observation Weeks: We have found from experience that students make better progress without parents in the studio. Parents and friends are invited to observe classes twice a year during Parents Observation Week. These weeks are listed on the annual calendar.

Performances All students have the opportunity to perform at the end of the year in our *Spring Showcase*. Students in Level 1A and up, are invited to participate in our annual holiday classic, *The Nutcracker*, performed in December. Our Creative Dance and Pre-Ballet students have the opportunity to take part in an informal studio performance in late November.

Notices & Messages: Email is our primary form of communication. Important school notices and schedules will also be posted on the school bulletin board in the lobby. Students and parents are responsible for checking their email regularly.

Lobby Area: Parents are welcome to watch classes from the lobby. The level of noise in the lobby must be maintained at a low volume. Excess noise can be heard through the classrooms and disrupts the dancers' ability to concentrate. Parents are expected to keep a close eye on their children and not allow them to run around the studios. Please help us keep our lobby clean: pick up after yourselves and dispose of trash and recycling in the respective receptacles.

'No Dogs' policy: All dogs must be on leash or in a carrier and must not pass the slate entryway of Columbia Dance.

Lost and Found: The Lost and Found basket is located in the lobby. Clearly labeled clothing and shoes help to prevent their loss. Please do not leave valuables unattended.

Dressing Rooms: Men's and Women's changing rooms are available. Company members have access to unlocked lockers for dance-related personal items. Please do not leave valuables unattended. That said, all dancers will use only what belongs to them and respect the possessions of others. Behavioral expectations extend across all physical spaces in Columbia Dance—from the studio to dressing rooms; we are an inclusive community of respect and collaboration.

Conferences: Students and parents are welcome to call the school at any time they have questions or concerns. Conferences with faculty can be arranged. Teachers are often scheduled to teach consecutive classes. Instead of talking with faculty members after class, please schedule a separate meeting or phone conference time.

Absences: If your student needs to miss class, we ask that you call (360-737-1922) or email us (info@columbiadance.org) to let us know. If you would like your student to make up the missed class, our front desk staff can advise you as to which classes would be appropriate to make up in.

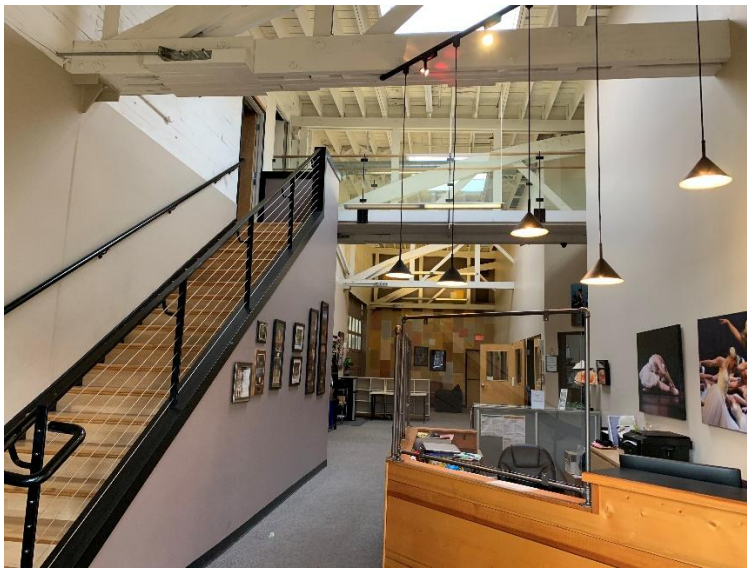

Building Access: Students and parents are only permitted to be in the building when a Columbia Dance staff member is present or if they have made prior arrangements with a staff member (for studio rental or volunteer services). We ask that you do not drop your student off before the building is officially open. Monday-Friday we open at 3:30pm. Saturday we open at 8:30am.

My INCLUDE Dance Story

I am going to an INCLUDE dance class with Columbia Dance.

My class is located at Columbia Dance.

I will wear something that is comfortable for moving and dancing. I will have bare feet in the classroom or can wear dance shoes if I have them.

My classroom is on the left side of the lobby past the drinking fountain.
There is a window so that people can watch from outside the room.

Halfway down the hall are the bathrooms. There is a drinking fountain and water bottle filler.

A dance classroom is a room with lots of space, mirrors, ballet barres, and a special dance floor.

In our class

- I will HEAR the sounds of our dance music, other students moving and my teacher explaining our dance steps.
- I will SEE ballet barres and other equipment being moved. I will see the movement of classmates across the dance floor.
- I can ask for help how to position my body and move across the dance floor, but I can also say that I would like no touch help.

When we are ready to start dancing, I will see my Teachers and Dance Partners. The Teachers and Dance Partners will say hello to me. I can say hello to my Teachers and Dance Partners. Here is my teacher, Miss Molly.

The Dance Partners dance with me and help me learn new things.
The Dance Partners are dancers in Columbia Dance's Company.

When the Teacher says it is time to go inside the classroom, I go into the classroom. I will sit down in a chair and get ready to dance.

I will be SAFE and RESPECTFUL.

I will follow directions from my Teachers and Dance Partners and show kindness to everyone in the room.

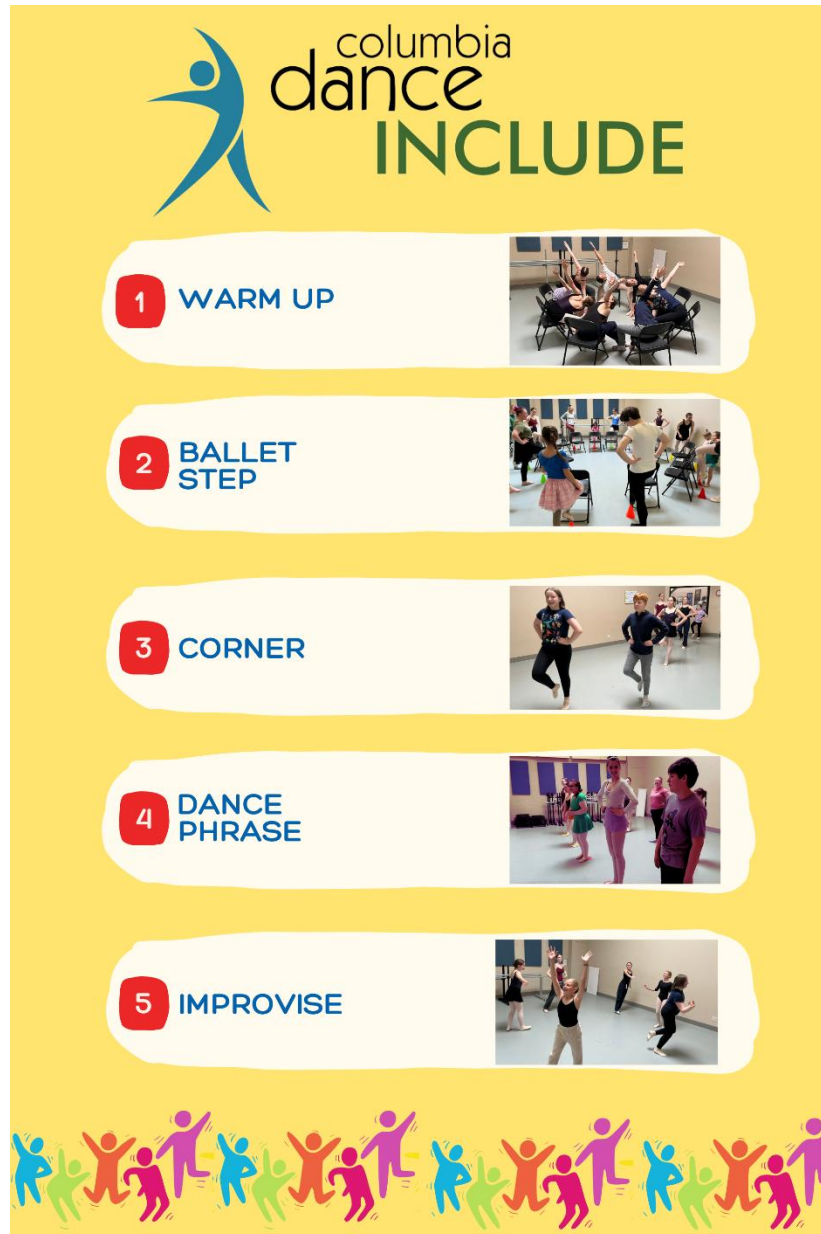

I will listen to my Teacher and Dance Partner

I will have a safe body. I will not hurt my classmates, Teachers, or Dance Partners with my body or my words.

I will not touch the mirrors in the room or hurt the building in any way.

I can leave the dance room with my family member or Dance Partner if I need a break. I will not leave the room alone.

We start class with a warm-up. We will learn new steps. We will dance across the floor. I will stand in line and wait for my turn. We will learn a dance together. Sometimes I might dance by myself. Sometimes I might dance with a partner. I will dance with my classmates and Dance Partners. The music we dance to is sometimes fast and sometimes slow. The music is never very loud.

When it is time to leave, I will walk out of the classroom and back into the hallway. I will exit the building with my family. I am so excited to dance!
